## Special Seasonal Decorations this Year at Irving Park Lutheran Church

Stop by the corner of Harding and Belle Plaine and peek in the windows to see a scene lovelier than any department store window display. Just behind two sets of double doors in the church vestibule, positioned at an angle and enhanced with a spotlight, is a large, hand-painted nativity set. Yet another lighted nativity set may be found in front of the building, next to the church sign on Harding. And for something a bit lighthearted, we put a Christmas tree in the handicapped lift. You may also listen to our carillon play seasonal hymns at noon, six, and 9 pm.

**Christmas 2020 at Irving Park Lutheran Church**  
Events subject to change. Online **Sunday School Christmas Play**, December 20th (and after) at [iplc.org](http://iplc.org) & IPLC YouTube channel.

## Ghostlight Ensemble Goes Online for Season Four:

Ghostlight Ensemble announced its Season 4 lineup, which brings back two popular offerings and introduces a new reading series of historically overlooked female playwrights. This season the company will present its offerings online, with the hopes of moving back to the stage in the summer of 2021.

The live, but virtual, Holiday Cabaret takes place at 8 p.m. on Saturday, December 12. Additional details, including artist bios, vendor wares and how to reserve tickets are available on their website at [GhostlightEnsemble.com/holiday-cabernet-3](http://GhostlightEnsemble.com/holiday-cabernet-3).

### Tips to Prepare Your Home for Winter

Hopefully we will have another mild winter. Here are a few ideas to get ready.

- 1. Consider a weatherization inspection** – Did you have icicles last year? A contractor can identify air leaks and inadequate insulation in your home's attic that can lead to ice dams.
- 2. Inspect and clean the furnace & ductwork** – it will run more efficiently, be healthier & ensure there is no carbon monoxide leakage.
- 3. Caulk around windows and doors** - if the gaps between siding and window or door frames are bigger than the width of a nickel, apply exterior caulk. Silicone caulk is best because it won't shrink and is weather resistant.
- 4. Clean the gutters** - so water won't back up against the house and damage roofing, siding and wood trim. I've used My Window Washing to clean our gutters and windows - 800-941-2790. They'll even give you \$10 off!
- 5. Inspect your chimney** – Professional chimney cleaners can remove buildup. For gas fireplaces, have the gas line inspected; clean the doors & dust and gently vacuum inside.

# CAPS Report

## Beats 1722 & 1723

Zoom Meeting, November 18, 2020

**In Attendance:** CAPS Officer Zander, Sgt. Iza, Officer Boon, Ald. Rodriguez's staff (33rd), Ald. Nugent and staff (39th), Jessica from Ald. Rosa's staff (35th), Rep. Andrade and staff.

Officer Zander opened the meeting by reviewing the Beat boundaries. All of West Walker lies in Beat 1723. The last Beat meeting was held in September. CAPS Officer Zander reported year over year crime statistics for the 17th District. Burglaries are down 29%, motor vehicle thefts are down 11%, robberies are up 37%. Shootings and homicides are up, with 32 more shootings compared with last year. Homicides have more than doubled year-to-date. In 2019 there were 5 homicides, compared with 11 so far this year.

Officer Zander reported several incidents where 17th officers made arrests and recovered guns and drugs, mostly occurring north of West Walker. He also reported on the recovery of a young boy who was the subject of

an Amber Alert on November 16th. Beat officers noticed a car parked in front of a fire hydrant at Pulaski and Belle Plaine that matched the Amber Alert description. The boy was found safe inside and taken to Swedish Hospital. The man suspected in the carjacking is in custody. As we head into colder months, Officer Zander emphasized that you should never leave your car unattended while running, no matter how quickly you think you'll return.

Alderman Nugent congratulated the 17th District for resolving the Amber Alert. Her office is open but some staff are working remotely. The 39th Ward Participatory Budget projects are being selected. Ald. Nugent is working with the Mayor's Office, OEMC and the City's Safety Office to secure needed resources. Report graffiti and street lights that are out.

Ald. Rosana Rodriguez reported that the camera at Irving Park and Kimball needs to be brought on line. Jessica Vazquez from Ald. Rosa's office reported that their office is open, but it is best to call ahead.

Officer Zander ended the meeting by reporting that 6 individuals have been taken off the streets this month and that shootings are trending downward. Sgt. Iza

## News From Irving Park Community Food Pantry

By Craig Shutt

### Help Pantry Clients Celebrate the Holidays

The Irving Park Community Food Pantry is providing its clients with a full holiday meal this month, including meat, stuffing, vegetables, potatoes and desserts. This is in addition to its regular array of groceries during our four distributions this month (we are closed December 23rd and 30th). This year, we are asking for monetary donations rather than direct food contributions.

We can purchase food at great discounts (approximately 4 cents per pound) from the Greater Chicago Food Depository, but shortages have forced us this year to use a variety of sources. That has increased our costs to purchase the needed food. At the same time, restrictions due to virus protocols make it more difficult for groups to hold food drives while barriers to access make it more difficult for the Pantry to receive food drives.

If you would like to donate, please use the secure PayPal link at [www.irvingparkfoodpantry.org](http://www.irvingparkfoodpantry.org) or send a check to Irving Park Food Pantry, 4256 N. Ridgeway Ave., Chicago

IL 60618. We appreciate your help in brightening the holiday season for so many in our neighborhood!

The Pantry is working with Advocate Lutheran General Hospital in Park Ridge on a pilot program to introduce a hospital-based food pantry for discharged patients who need food to get back on their feet after their hospital stay. The Pantry is providing the hospital with 20 bags of various foods, which will be replenished as needed for six months during the evaluation period.

Thank you to the congregation of St. Viator Church for making one of their regular food donations to the Pantry in October. Thanks also to the congregation of Park Ridge Presbyterian Church for delivering food from an October food drive, arranged in advance.

Teacher Frank Kadri at Prussing Elementary School brought his class to the Pantry via Zoom in October. The students learned techniques for making face masks and used materials at hand to create a handful apiece for volunteers. Frank brought in the donation and his class received a tour (via his laptop).

Thank you to everyone for helping us meet our mission of being "Neighbors Helping Neighbors!"

## News and Events from Carlson Community Services

**Carlson  
Community  
Services**

Carlson Community Services is a 501(c)(3) non-profit connecting

the Irving Park community with programs that enrich lives through education, culture and service.

21 teams competed in Carlson's Virtual Trivia Night.  
Good fun for a good cause!

### Virtual Trivia Night Results In!

Congratulations to "Oh Snap!" on winning Carlson Community Services' 14th Trivia Night and 1st ever virtual event. Pat & Greg Morin led their team to a two-point victory over 20 other teams in a tight contest. When awarded their \$200 prize, the team generously donated their winnings back to Carlson. The bragging rights and glory remain theirs! Perennial second place winners "The Quad," captained by Pam Austin, vowed to claim victory next time.

While we missed being together in our usual venue, a virtual good time was had by all. Through the magic of Zoom technology, each team gathered in a break out room to discuss their quiz answers and socialize. Thanks to organizers Helen Lira, Melanie Zech, Maria Dimond and Jennifer O'Grady for their help, and to Elena O'Grady for serving as the quiz grader and scorekeeper.

Round sponsors Wintrust Bank, Free Range Insurance and the Carlson Board & Committees helped to make the event a financial success. \$6,500 was raised for Carlson's after-school program, community garden and concert series. During a year when our fundraising ability has been diminished sharply, the money raised at Virtual Trivia Night will help Carlson manage through these challenging times.

### Flash Food Drive Delivers Diapers and Groceries to Food Pantry

Carlson Community Services kicked off the season of giving with a flash food and diaper drive in November for our partners at the Irving Park Food Pantry.

Thanks to the generosity of Irving Park Lutheran Church members and Carlson contributors, 90 bags of groceries and diapers were collected in one day and delivered to the Food Pantry. Volunteers who loaded up the cars and made the delivery were Elmer, Rebecca and Jack Haneberg, Kirsten Gettings and Jack Mills.

Volunteers delivered proceeds of Carlson's Flash Food Drive to the Food Pantry. Pictured are: Jack Haneberg, Kirsten Gettings, Liz Mills and Rebecca Haneberg.

### Irving Park Fine Arts Committee Presents the Max Bessesen Trio

Irving Park Fine Arts Committee is excited to present A Jazz Christmas with the Max Bessesen Trio, featuring Alyssa Allgood. The concert will be recorded in the Irving Park Lutheran Church sanctuary and will be available on Carlson's YouTube channel beginning December 13th. The performance will feature traditional holiday tunes, jazz standards and original compositions. The trio is led by Independence Park resident and saxophonist Max Bessesen. He'll be joined by Bobby Broom, guitar, Dennis Carroll, bass and vocalist Alyssa Allgood. The experience will be just like our annual Christmas concert, but you can enjoy it from the safety of your home!

Staff of the Magic After-School Place continue to evaluate ways to support our students and families during remote learning, and in a special way at the holidays. We look forward to resuming the program when CPS returns to in-person learning, scheduled for early February.

Carlson Community Services connects the Irving Park community with programs that enrich lives through education, culture and service. The Max Bessesen Trio and Alyssa Allgood will perform in the Fine Arts Series' A Jazz Christmas. You'll find a video of the concert on Carlson's YouTube channel beginning December 13.

## St. Edward School

Orders may be picked up in front of St. Edward's Springfield Dominican Learning Center, 4447 N. Lowell. Scouts will be on hand to bring your order to your car during: Saturday, December 12 from 4-7 pm OR Sunday, December 13 from 8:30 am-12:30 pm

Additionally, there is contactless delivery for Seniors who reside within 2 miles of the St. Edward campus. Deliveries will be made Sunday afternoon, December 13.

responded to a question about shot spotters in the district. There is one in the 17th but it's privately owned and it's not controlled by CPD. A question was asked about shots fired at Springfield and Berteau on October 12th at 6:00 p.m. There was no report of the incident generated because no shell casings were found.

Call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. The next meeting will be on December 16th at 6:30 p.m. via Zoom. Email [CAPS.017district@chicagopolice.org](mailto:CAPS.017district@chicagopolice.org) for an invitation. Remember to always lock your vehicle, never leave it running unattended and be on the lookout for scams involving Covid-19 cures and scams related to income tax refunds.
