Dear Neighbor,

HARD TO BELIEVE WE ARE ALREADY FOUR MONTHS INTO 2014...seems with every year the time passes faster and faster. Before you know it we'll be well into the summer months and spending time outside enjoying the green grass, the shade from our beautiful trees, and the flowers we have so desperately missed during our cold winter here in the frozen tundra of Chicago. I really appreciate all the work so many of our neighbors here in West Walker put into their gardens and landscaping. It makes the spring even more enjoyable.

While on the subject of beautiful lawns and gardens, one thing the end of the snow has brought with it are piles of garbage which have been buried under snow drifts and leaves that were left uncollected at the end of the fall. Now that we are able to see everything, it's a good idea to chip in and clean up the neighborhood. If we all make a small effort at picking up the few pieces of trash we see as we are out and about, imagine how much more beautiful West Walker will look as we head into spring. Those who have the time and can put forth a little more effort – please help clean up the leaves that have been sitting in the street for months and months. I mention the leaf and garbage issues for one big reason – street flooding. If we can take a little time to get all that extra debris picked up and off the streets and lawns, when the April showers arrive (and continue some of the downpours we saw in March), we will see a lot less water collecting in the streets, atop the sewers and at the bases of crosswalks. The rainwater just pushes all that trash and leaf waste down the street to block the sewers which we need clear in order for water to drain. I know it's a dirty job, but if we can all help out just a little, it's not such a bad job. In the end, our streets and yards will look better for it; walkers will appreciate being able to continue to cross at the walks versus having to dodge the lakes that form at the street corners; and car owners who must park in the street will be pleased that they don't have worry if they will come out to a flooded car. Take this opportunity with the start of spring to chip in toward a cleaner and greener neighborhood – when we all chip in, we all benefit from a beautiful and safer community.

Happy Spring Everyone – I look forward to seeing your gardens!

With the arrival of Spring we all start planning those home improvement projects we thought up over the winter, so why not hire a local business to build the addition, remodel the kitchen or landscape the yard? I am hosting my annual Home Improvement Fair on Saturday, April 26th, from 10 a.m. to 1 p.m. at the Mayfair Branch of the Chicago Public Library, 4400 W. Lawrence. Come and talk to some locally owned companies about your project and see some of what your neighborhood businesses can offer.

The City of Chicago's annual Clean and Green will be on Saturday, April 26. It's a great opportunity to welcome spring and spruce up your community. The City will have some supplies and tools available for volunteers. To organize a group or find an existing group to join, call Jonathan at my office at 773-736-5594.

With milder weather here, the Department of Streets and Sanitation has begun their Street Sweeping program. Street sweeping occurs between 9 a.m. and 3 p.m. on weekdays. Watch for the brightly colored "No Parking" signs posted on light poles and parkway trees. Failure to comply with parking restrictions for street sweeping will result in a costly ticket.

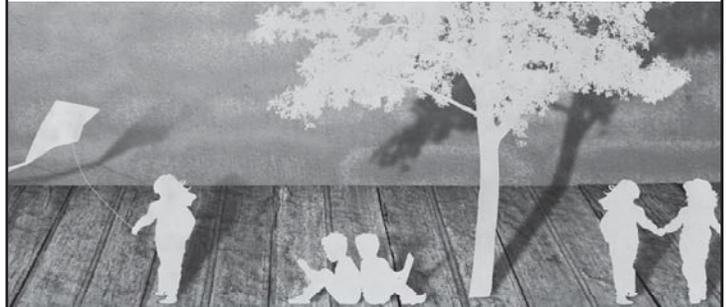

In-person registration for Chicago Park District summer programs for children and adults begins Saturday, April 12. Please contact Independence Park (3945 N. Springfield – 773-478-3538) or the Chicago Park District website (www.chicagoparkdistrict.com) for further information.

As always, if you have any questions or concerns, please contact my public service office at (773) 736-5594 or email us at ward39@cityofchicago.org.

Admission to the concert is free of charge, though a free will donation may be made. An informal reception with the performers follows the concert.

Get Growing with Three Brothers Garden

The coldest, snowiest winter in recent memory is over and Three Brothers Garden is waiting for you! The garden is a "pantry" garden, which means all vegetables grown in the garden are donated to Irving Park Community Food Pantry. Last year, 842 lbs. of vegetables were harvested for the food pantry. Gardeners of all experience levels are welcome. If you're a novice, we'll show you how to plant, maintain and harvest. Working with our volunteers is a great way to learn.

Ruth Olech, garden intern Kate Jordan and Rebecca Haneberg in the garden last summer.

The garden is located at 4107 N. Pulaski Rd., next to the Irving Park Lutheran Church parking lot. Three Brothers Garden is a partnership between the church and Carlson Community Services. Rebecca Haneberg and Ruth Olech are the volunteer co-chairs who lead the committee that oversees the garden. To be added to the list to receive announcements about our first work days, e-mail Liz Mills at lizmills@carlsoncommunityservices.org.

News From Irving Park Community Food Pantry

By Craig Shutt

Pantry volunteers Diana Powers, and Spring-breakers Ryan and Maggie distribute Easter baskets to clients' children.

Donate to the Pantry's Easter Program

The Irving Park Community Food Pantry's distribution of Easter bags to its clients' children continues through April

16th (Easter is April 20th). We are collecting goodies (candy, snacks, small toys, stuffed animals, etc.) for children in the age categories from infant to 8 years old. Please drop off any donations at the Irving Park United Methodist Church (corner of Grace and Keeler at the Grace Street entrance during church business hours). Financial donations are very helpful, as they are used to purchase fill-in supplies to complement donations later in the month. This can be done by mail or through PayPal at the Pantry's website (www.irvingparkfoodpantry.org). Questions can be sent to Vicci Rodgers at viccirodgers@gmail.com. Thanks to the congregations at Irving Park United Methodist Church and Irving Park Lutheran Church for their continued support through their donations of time, money and toys to create the baskets for children.

Save the Date! The Greater Chicago Food Depository's Annual Hunger Walk, will be held June 21st at Soldier Field. The Walk is our biggest fund-raiser of the year, and many of our volunteers and supporters participate. It's a fun event that's not strenuous and helps fund the Pantry all year round. More information to come, we promise.

Thank you to the Linda and Jodi Whitlock of Corporate Events Interactive for coordinating a food-box packaging event. Their corporate client, an advertising and marketing company, invited newly hired recruits to prepare and donate 100 shelf-stable lunch boxes, which we distributed to clients.

Thanks to the students at St. Viator Elementary School and its Student Council for donating four large boxes of toiletries to the Pantry following their recent drive. Thanks also to Barbara Ries Murphy and everyone at Portage

Park Helping Hands who took part in a January food drive. The group collected more than 30 boxes of food.

Six Corners' Liberty Tax Service once again held a food and donation collection program for the Pantry in March. Clients brought in food or cash donations in exchange for discounted tax-preparation services.

Barbara Ries Murphy, president of Portage Park Helping Hands, presents Executive Director John Psiharis with a \$100 check from the group's food drive in January. Photo by Craig Shutt

Windy City Second Hand has begun sponsoring the Pantry, providing us with monthly vouchers to help our clients buy clothing and other necessities. This is especially helpful in light of St. Viator resale shop's recent closing, which previously helped our clients with these needs.

In February, representatives from the Puerto Rican Cultural Center came to the Pantry during our distributions to talk with clients about their participation in the Affordable Care Act and to answer questions.

Feinstein Foundation Challenge Donations to the Pantry this month will be counted toward the annual Feinstein Foundation Challenge, in which the group, led by Alan Shawn Feinstein, awards \$1 million to hunger-fighting agencies based on their donation levels. Both food and monetary donations count toward the total. The Pantry often receives several hundred dollars from the Challenge based on its donations, and we appreciate your help in adding these extra funds to our totals.

Check out the Pantry's Annual Report online at our website: www.irvingparkfoodpantry.org.

St. Viator School

St. Viator Elementary School's Spring Soiree was a huge success! Friends gathered on March 8th at Biaggio Banquets, for

dinner, dancing, and silent auction. Thank you to our generous school families, teachers, alumni, and local businesses for supporting our school mission, to instill a life-long love of learning, a respect for all people, and a commitment to social justice and peace. Event proceeds provide our students with the most comprehensive educational resources available.

In March, volunteers from Schurz High School brought Junior Achievement of Chicago to St. Viator. Junior Achievement is a non-profit educational organization dedicated to introducing the free enterprise system into the classroom, sharing ideas about economic systems, and reinforcing the importance of staying in school. The student-facilitators introduced the lesson on economics using an interdisciplinary approach involving social studies, math, reading and writing skills.

In fifth grade, the students became entrepreneurs, designing their own products and marketing them to their classmates. They explored resources and learned about the impact of scarcity. Understanding that they are human resources, the students created resumes outlining their marketable skills and created a web of their interrelations in the global economy. We are grateful to Schurz High School and Junior Achievement for this valuable and enriching lesson in economics.

To learn more about St. Viator, please visit our website at www.stviatorchicago.org. We are currently accepting registration for the 2014-2015 school year. If you need registration information or have questions, please call the school office at 773-545-2173 or e-mail Marge Tiritilli at MTiritilli@stviatorchicago.org.
