## Teens Can Apply for Paid Summer Internships

For the 3rd year, After School Matters is hiring 30 paid teen interns. The Neighborhood Connection Project (NCP) is helping create the largest piece of public art on the northwest side of Chicago! CPS high school teens work together to design and install a mosaic mural. They will be repairing and beautifying the Metra underpass located at Kinzua, Hiawatha and Lehigh--6701 N. LeHigh Avenue. Participants will learn aspects of design, mirror cutting, mosaic, sculpture, painting and photography. They will work with professional artists to install a Bricolage mural (an intricate combination of mosaic, sculpture, painting and photography).

Students can apply online - go to: [youthreadychicago.cityspan.com/Web/sms/OnlineEnrollment/chicago/Application.asp?Term=Summer2015](http://youthreadychicago.cityspan.com/Web/sms/OnlineEnrollment/chicago/Application.asp?Term=Summer2015). The program runs from June 29 - August 14, Monday through Friday, 9 a.m.-1 p.m. Selected applicants will be notified by late May/early June. Apply now. Questions? Contact Jac Charlier ([jac.charlier@gmail.com](mailto:jac.charlier@gmail.com)) or Gina Metelica ([Gina.metelica@gmail.com](mailto:Gina.metelica@gmail.com)).

## Traffic Management

With the exciting commercial and retail growth in the area, we have also seen (and will most likely continue to see) increased traffic congestion. This has placed a strain on our residential side streets by those using them to bypass the major intersections in our neighborhoods. The West Walker Executive Committee seeks to form a Traffic / Infrastructure Committee to work with the various alderman's offices to develop traffic & transportation management solutions for our neighborhood. Pedestrian / bicycle traffic and street-scaping will also be included. Those interested, please send an email to Davor Engel at [dengel@studiode.com](mailto:dengel@studiode.com).

## Books First!

Three regular Chicago families are asking other regular Chicago families to donate gently loved kids' books to be donated to Chicago Public Schools without libraries and with a high percentage of homeless kids. In 2.5 years, we received and delivered over 14,000 books which volunteers have driven to seven schools, providing books to 3,000 plus kids who wouldn't otherwise have them. So spread the word! Over 400 terrific regular Chicago families have donated books, because Chicago is the city of big hearts! For information, send an e-mail to [booksfirst01@gmail.com](mailto:booksfirst01@gmail.com) today!

### Three Brothers Garden Introduces “Project Homegrown” At Irving Park Food Pantry

*Dorene Jordan (left) demonstrates how to make a rot pot out of newspaper for Project Homegrown.*

Three Brothers Garden has launched a series of hands-on classes to help clients of the Irving Park Food Pantry learn to grow vegetables at home.

Called “Project Homegrown,” the initiative

builds on the national trend of growing vegetables at home and links it with Food Pantry clients’ stated desire for more fresh fruits and vegetables. Dorene Jordan, a registered nurse, master gardener and Three Brothers Garden volunteer is spearheading the project.

Project Homegrown consists of a series of hands-on classes where clients learn how to make a rot pot, plant seeds, transplant seedlings to a larger container and care for their plants through the summer season. At the season end, classes will focus on harvesting and using what’s been grown in recipes. Up to 50 clients will participate in the program.

“With a little sun, soil and seeds, you’d be amazed at how easy it is to grow vegetables,” Dorene said. “We want to share the knowledge we’ve gained at Three Brothers Garden to inspire clients at the food pantry to grow their own vegetables, starting small with basil, tomatoes and cilantro grown in containers.”

A grant from the CHIditarod Foundation is funding the purchase of needed supplies. Food pantry clients need only find a place at their home that receives sufficient sunlight. The CHIditarod Foundation seeks to alleviate hunger and solve the root causes of hunger through creativity, engagement and direct action.

Since 2009, Three Brothers Garden has grown nearly 5,000 lbs. of fresh vegetables for the Irving Park Food Pantry. Three Brothers Garden is a program run by Carlson Community Services, a 501c3 non-profit with a mission to connect the Irving Park community with programs that enrich lives through education, culture and service. For more information or to volunteer in the garden, contact Liz Mills at [lizmills@carlsoncommunityservices.org](mailto:lizmills@carlsoncommunityservices.org) or 773-398-6766.

Magic Mushroom children’s summer program and the Irving Park Fine Arts Committee will present “Tales of Olympus” on Friday, July 17th at 10:00 a.m. “Tales of Olympus” presents Greek mythology as told by gods and goddesses with the help of a modern day boy. This exciting musical will take youngsters of all ages to Mt. Olympus and back, with song, dance, costumes and sets.

The performance will be held at Irving Park Lutheran Church, 3938 W. Belle Plaine (at Harding Ave.). The show is free of charge, but donations will be accepted gladly. American Eagle Productions, a Chicago-based theatre company specializing in children’s classics, created the show.

Magic Mushroom children’s summer program serves the Irving Park neighborhood with a superior summer enrichment program for children aged 3 years through 6th grade. The program is sponsored by Irving Park Lutheran Church.

The Irving Park Fine Arts Series is celebrating its 21st season of bringing high quality, professional musical and theatrical events to the Irving Park neighborhood. Carlson Community Services, a 501c3 neighborhood not-for-profit, sponsors the program. ## News From Irving Park Community Food Pantry

By Craig Shutt

*Irving Park Food Pantry volunteers Adele Burgos, Gina Hubberts, Debra Delgado and Gerri Calderone get ready to go at last year's Hunger Walk at Soldier Field to support the Pantry's efforts to combat food insecurity in the Old Irving Park neighborhood.*

### Hunger Walk Set For June 21st

The Irving Park Community Food Pantry is gearing up for the 30th annual Hunger Walk, to be held Saturday June 20th at Soldier Field. The walk, sponsored by the Greater Chicago Food

Depository, consists of a 5-k (3.1-mile) walk along the lakefront aimed at raising awareness about hunger in our communities. Pantries and other organizations come together to create a large crowd with activities and music during the day.

The Walk is the Pantry's biggest fund-raising event of the year, so please save the date and join us. Registration opens at 7 a.m., and the walk steps off at 8:30 a.m. You don't need to actually walk, just show up at the event (kids count too) and you get counted toward our total to boost our contribution from GCFD. Students can receive volunteer service hours for participating!

A link to our Hunger Walk page at the GCFD's website can be found at our website ([www.irvingparkfoodpantry.org](http://www.irvingparkfoodpantry.org)). Alternatively, you can go to the GCFD site ([www.chicagosfoodbank.org/hungerwalk](http://www.chicagosfoodbank.org/hungerwalk)), click on the Search for Team button on the right and search for "Irving Park."

Thank you to everyone who donated to our Easter basket program in March, especially the volunteers who organized and distributed the baskets each Wednesday: Mimi Nguyen, Audra Nelson and her children, Jeremiah Galassini, and Larry Pavia.

Thanks also to the groups who helped purchase items for the baskets and put them together, including volunteers at Irving Park United Methodist Church and Irving Park Lutheran Church and at AIM Consulting in Chicago - A Technology Consulting and Solutions Firm. We appreciate their help in ensuring our clients' children could receive a treat on Easter morning!

*(From top:) Volunteers Audra Nelson (and her minions) along with Jeremiah Galassini (center) and Larry Pavia were part of the team that helped coordinate the Pantry's Easter basket program during March, giving them out to qualifying clients. Volunteers Matt Marton, Steve Ballard and Ashley Abboushi sort food donations received. Photos by Craig Shutt.*

Our thanks again this month go to Liberty Tax Services on West Irving Park Road, which partnered with the Pantry again in March to raise money for the Pantry. The company offered a 50% discount on tax-preparation fees to anyone making a \$20 donation to the Pantry. The program raised \$1,120! A promotion in January and February raised more than \$1,300.

Thank you to Immaculate Heart of Mary, whose food drive on our behalf in April resulted in 20 boxes of nonperishable food items.

Despite several significant donations this year, the Pantry has run out of the toiletries we provide to clients, including shampoos, soaps, razors, shaving cream, diapers, deodorants, feminine-hygiene products, toilet paper, Kleenex, toothpaste and toothbrushes. Travel-sized items work well, so please keep us in mind if you can supply any of these items (or travel and can bring them home from a hotel). We also need men's white crew (mid-length) socks.

Thank you to everyone for your donations of time, money and effort on our behalf to ensure we remain Neighbors Helping Neighbors!

## CICS-Irving Park School

**PUMA PROWL WALK-A-THON** We are looking for sponsors for our fourth annual walk-a-thon to be held on May 13th.

Proceeds raised will help our students by purchasing leading-edge technology, as well as supporting teachers and staff through training and support. The Puma PTO is a registered 501(c)3 entity, so all donations are tax-deductible. A website has been set up to collect pledge donations electronically. Donate online at: <https://rally.org/2015-Puma-Prowl>. For more information, please contact Susie Clark at [susclark1@yahoo.com](mailto:susclark1@yahoo.com).

**Career Day** On April 15th, we had a variety of parents and other professionals come into school and discuss their careers. Some of our interesting guests included a fashion designer, a chef, an engineer, a Navy chief, a firefighter and an FBI agent (all of whom are CICS IP parents!).

**Charter School Lobby Day** Please join us to remind our legislators that they represent charter school families across the state who are ready to advocate for the right to high-quality public school options! Thursday May 21st, in Springfield. If interested, please contact Ms. Mandel at [Imandel@distinctiveschools.org](mailto:Imandel@distinctiveschools.org).

**PARCC Testing** We made the shift to the Common Core State Standards (CCSS) in Illinois, with this move to new instructional content also comes a new assessment to measure that content –PARCC (Partnership for Assessment of Readiness for College and Career). The PARCC measures students' content knowledge and key skills related to the CCSS, such as their ability to think critically, solve problems, and use information from reading material to write well-developed essays.

## Girl Scouts Work to Clear the Path and Earn Silver Award

The 8th Grade Girl Scout Troop from St. Edward's in Mayfair is working to "Clear the Path to School" on May 17. The troop has organized a service project to clean up the path from Independence Park through the Pulaski underpass between the Disney II campuses. The Scouts, many of whom attend Disney II, are working toward their Silver Award with this project, the highest Scouting honor they can achieve.

Anyone who walks into our neighborhood from the Pulaski exit at the viaduct along the Parkview walkway knows the problems: bird droppings, trash, discarded paraphernalia, and more. The Scouts plan to clean from Independence Park, through the pathway and under the viaduct; clean the viaduct mural (supervised by mural artist Tony Sparrow); and plant flowers and/or shrubbery. They're also looking into posting additional "do not feed the pigeons" and "no soliciting" signs.

"Clear the Path" will take place on Sunday, May 17, from 9:30 am to 2:30 pm. Volunteers will meet at the southwest corner of Independence Park, near the softball field. The Scouts are also seeking donations of plants, soil, mulch, river rocks, garden bench and planters, and snacks and/or sandwiches for volunteers, and monetary donations.

45th Ward Alderman John Arena has pledged cleaning supplies, and Independence Park, GIPNA, the Independence Park Advisory Council (IPAC), and the Old Irving Park Association (OIPA) are also providing promotion and support. Disney II has asked students to help for service hours; if the day is successful, Disney II PTA could make it an annual event for students and the community.

To volunteer, or for more information, call or text troop leaders Linda Graziano at 312-203-1303 or Cynthia Rivera at 773-517-5506. Thank you!

## Lifeboat Returns to Filament through May 24

Filament Theater's critically acclaimed production of *Lifeboat* by Nicola McCartney, and directed by Filament Artistic Director Julie Ritchey runs through May 24th.

During World War II, a ship carrying 90 evacuees set sail to escape the bombings and dangers of Britain. On Friday September 17, 1940, the ship was torpedoed by a German U-boat leaving only eleven of the evacuees alive. As the ship sank, two fifteen year old girls clung to an upturned lifeboat for 19 terrifying hours. *Lifeboat* is the inspiring true story of Bess Walder and Beth Cummings who survived in the face of despair.

*Lifeboat* runs through May 24th on Fridays and Saturdays at 7:30 p.m., Sundays at 3 p.m. This production is appropriate for 3rd graders and up. The Filament Theater is located at 4041 N. Milwaukee. Call 773-270-1660 for more information. For information on other productions, please visit [filamenttheatre.org](http://filamenttheatre.org).

## Stick Fly at Windy City Playhouse Through July 5

*Stick Fly* by Lydia R. Diamond, directed by Chuck Smith will run at the Windy City Playhouse through July 5th.

It was supposed to be a nice family weekend. It was supposed to be relaxing, a summer vacation on Martha's Vineyard. It was supposed to be, but the LeVays well know that few family gatherings turn out as planned. When both sons arrive with their respective girlfriends, the proverbial gates fly open, and out comes race, politics, social status, and family conflict. To hell with the pleasantries. This is family and it's too darn hot. Join the Playhouse for the wise-cracking family's drama.

Windy City Playhouse is located at 3014 W. Irving Park Rd. Box Office is open Wednesday through Sunday, 4-8 p.m. Call 773-891-8985. For tickets and information outside of box office hours, please call our administrative office at 312-374-3196.
